Mary Lou Terrien, would you please see that this letter gets to the Redistricting and Elections Committee Members.

Also, could you make sure this e-mail is entered into the record?

Thank you very much, Toni Lee Zimmerman

Dear Redistricting and Elections Committee Members,

I am against a National Popular Vote Compact in Michigan. I strongly believe that the President decided solely by the Electoral College as was the intent of our forefathers. There is a reason they set it that way. They were much wiser than us. If it be the desire of the people to have it changed, it should only be changed by a constitutional amendment which requires a 2/3 vote in Congress and approval of 38(3 of 4) legislators. I also believe that if we change from the Electoral College with the National Popular Vote Compact (that can be changed at will) only chaos will ensue! Thank you.

Respectfully submitted,

Toni Lee Zimmerman
